

Find & Follow

Read John 1.35-51.

- What strikes you about this passage? What do you notice?
- FIND JESUS. What's your story of finding Jesus? How did others help you to find him and what part did church play?
- How can we make sure we avoid the pull of introspection as a church, where we turn in on ourselves and prioritise our own spirituality over sharing Jesus with others?
- How can we continue to help others find Jesus? How could we do church differently to make it so seekers can come and see Jesus?
- FOLLOW JESUS. What's the biggest factor in following Jesus closely for you? What makes it successful? What makes it challenging?
- How can we avoid the pitfalls of consumer Christianity as a church? How can we encourage one another to continually follow Jesus ever more closely?
- Does anyone need to be mentored? Can anyone mentor someone that isn't right now?
- What is our aspiration for Metro in this new phase of our life?

BIG IDEA. We exist to help people FIND Jesus and LOVE one another, then FOLLOW Jesus and SERVE their city.

Pray together for the things we've discussed but pray also for the church as a whole in this time of transition into something new. Pray for protection and for a revealing of God's purposes.
