

# PRIORITIES

Rob Scott-Cook | Discussion Notes

Rob shared with us his 'word for the year', which for 2021 is 'priorities'. Use this first session to set some vision for your Hub for the year and also to share your own personal priorities for 2022.

Firstly, Rob explained that we should have priorities: for God's Kingdom, of love, of Holy Spirit guidance, in the cost of discipleship, of the Gospel, of thankfulness and of devotion to Jesus.

- Are there any of these priorities that stood out to you?
- Which of these do you feel you need to make a priority this year?
- Rob said that the key priority was our devotion to Jesus. What can we do to make this a priority?

## PRIORITIES FOR YOURSELF

The start of a new year is a great time to work out what you want to make a priority in your own life.

- What would you like to prioritise in your life in 2022?
- Do you have an aspect of your faith life that you would like to prioritise?
- How can we make sure this isn't just words but is backed up with action?

## PRIORITIES FOR YOUR HUB

It's also a good time to remind each other of the vision of the Hub. Spend some time talking about what your priorities as a Hub could be in 2022.

- What do you think make Hub great and how can we prioritise this in our Hub life?
- What would you like to do that we aren't currently doing together?
- Where do we want to go as a Hub in the few months?
