

THE ROAD LESS TRAVELLED // Where are you headed?

Building deep community takes time so continue to give a bit of time to get to know each other.

Sharing highlights & lowlights of the week is a great way to do this, and as leaders you get to set the tone of how vulnerable you want people to be with this.

Sharing testimonies is also a great thing to do.

Discussion Questions

(take some time to pray first and invite God into your discussions)

- What stood out to you most from Philip's talk on Sunday?

Read Matthew 7 v 13-14

- How does it make you feel when you hear these words? If you close your eyes and imagine this scene, how do you imagine Jesus saying these words?
- What do you think these verses show us about God and his heart?
- What has your experience of following Jesus been like? Has it felt like a broad road or a narrow road?
- Is there a time in your life where you have found these words of Jesus to be true?

Read John 10 v 7-10 & John 14 v 6 -7

- How does it change our mindset knowing that we are coming to a person, not following a bunch of rules?
- How can we be better of reminding ourselves that the Christian walk is about relationship and not rules?
- What could we do as a hub to keep each other accountable this week in staying on the narrow path that leads to life, and staying close to Jesus?

Take some time to pray together.

This is also an amazing way to build community so make sure you keep enough time for this at the end.

As ever, share prayer requests, pray for your Hub and pray for Metro.
